The BLOCK

 Brianne Johnson Method & Ballet Blast

There's a new studio in town - introducing The BLOCK in Midway.

Bree Johnson and Sonnet Remund are passionate about music and dance, recognizing the transformative power these art forms hold. Inspired to spread joy and positivity, they've embarked on a journey to share their talents with others. Together, they infuse their work with a contagious energy, fostering a sense of community and empowerment among youth. With every step, they strive to nurture young individuals, encouraging them to reach their fullest potential!

Some of their unique offerings are Supplemental Dance Training classes, Technique & Strength Training classes, and they have Show Choirs where students learn choral singing with choreographed routines!

Bree & Sonnet's greatest achievements are seeing their students thrive, gaining self-confidence, blossoming into great performers, and sharing their passion for music and dance!

Find more info about their programs on their website www.attheblockutah.com or on Instagram @at.the.block.utah
