

LET OUR ARTS LIFT YOU TO NEW HEIGHTS

Spotlight

Wasatch Camerata Chamber Singers

Wasatch Camerata Chamber Singers are a small vocal group that performs music from Bach to Broadway in a concert setting, which they believe to be a unique offering for the Heber Valley. Much of the music they select to sing is also not performed by any other Wasatch County ensemble or performance group. They were inspired to start their organization because our wonderful valley loves and supports the arts, and they wanted to add a classically oriented vocal ensemble to the other local musical groups in the area.

As a recently designated 501c3 organization, they are grateful for grants & other funding opportunities for their work. The Wasatch Camerata Chamber Singers have already produced 5 successful concerts & are planning a bigger & better 2024-2025 season.

They are very excited about their upcoming season, which will begin November 8th and 9th with a "Camerata on Stage" program. They will also perform a Christmas program, "Portraits of the Nativity", on December 20th, and are scheduled to perform in Salt Lake City on Temple Square for their Christmas music programs in December. Their season finishes with a program of classics around the theme of our beautiful world in March.

Call For Artists

Brighten Up Heber:
Electrical Box Mural Paint-Off
We are looking for artists to paint Heber Light and Power Boxes in and around Heber City

Heber City is seeking artists or artist teams to create paintings upon the various Heber Light and Power Boxes in and around Heber City, including into the outer reaches of individual neighborhoods. The selected artwork should consider the themes of welcoming visitors, outdoor sports destination and activities, wildlife, local mountain and forest scenes, community, local historical agricultural or nostalgic images, historic Heber images, or variations of these themes. It is encouraged that the artwork also be of a creative nature to serve as a social media photo-op for visitors or citizens.
