## HEBER VALLEY ENTERTAINMENT

In May of this year, Steve & Karyn Anderson opened the newly renovated Ideal Playhouse. Their endeavors are bringing musical theater, concerts, and other variety acts such as comedy & magic shows to Heber City Main Street. The new owners of both the Avon & Ideal Theaters have quite the vision for live entertainment in Heber City while also continuing to offer new & classic movies on the big screen at both locations.

Already this year, Heber Valley Entertainment has produced two Musicals; The Wedding Singer & Little Women. They have also hosted several cover band concerts & events. The upcoming 2025 season is full of exciting productions, events & concerts.

New for the 2025 season, Heber Valley Entertainment is offering season ticket packages that include 6 or more music concerts, 4 main stage shows including Guys & Dolls, Michael McClean's Threads, The Little Mermaid, and Big River and discounts on all other live shows & special events.

Steve & Karyn are passionate about preserving and celebrating historic Heber while creating a place that brings people together.

To learn more about Heber Valley Entertainment, to purchase season tickets, see their event calendar or for info on auditions for one of their productions, visit their website or social media pages.

# TAP Tax Grants

In 2022, Wasatch County voters approved a 1/10 of a percent local sales and use tax to enhance trails, arts, and parks in Wasatch County. To access these funds, each municipality will offer grant applications. These applications will be available in January.

Please refer to each municipalities' website for specific guidelines, deadlines & instructions.
