ALCHEMY SCHOOL OF ART

Shanoa Gardiner owns & operates Alchemy Art School & Studio in Heber City. Shanoa is a veteran teacher of 24 years. Most of her experience has been in the public school setting. She has dreamed of opening her own studio and art school for years. When she moved to Heber, she decided to take a leap of faith and do her own thing.

Shanoa paints with an encaustic wax medium. She teaches most art mediums including foundations, drawing, painting, photography, art therapy, and more. Her teaching mission is rooted in the enchanting process of alchemy, where creativity sparks transformation and creation.

Shanoa wants to share ART with our wonderful community. Her studio offers a comprehensive art education for all ages. Offering many classes, paint nights & unique experiences for artists of all ages & abilities. At Alchemy Art, their focus is on cultivating foundational skills that empower students to explore their unique artistic paths. They provide a comprehensive education through the elements and principles of art, guiding students as they develop their personal style and skill set.

TAP Tax Grants

In 2022, Wasatch County voters approved a 1/10 of a percent local sales and use tax to enhance trails, arts, and parks in Wasatch County. To access these funds, each municipality will offer grant applications. These applications are open now.

Please refer to each municipalities' website for specific guidelines, deadlines & instructions.
